

DATA SHEET

LOGITECH RALLY BAR MINI

Simplicity meets versatility with Rally Bar Mini, Logitech's most advanced all-in-one video bar for small meeting rooms and huddle spaces. With studio-quality audio and video, AI-driven performance, and flexible deployment options, Rally Bar Mini sets a new standard for small room collaboration.

PREMIER VIDEO BAR FOR SMALL TO MEDIUM MEETING ROOMS

Rally Bar Mini is Logitech's premier all-in-one video bar for small rooms and huddle spaces.

It's remarkably simple to use, manage, and deploy at scale, delivering the capabilities of larger video bars like Logitech Rally Bar in a compact form factor for smaller spaces. With studio-quality audio and video, motorized pan and tilt, and AI-powered performance, Rally Bar Mini sets new standards for video collaboration.

Scalable across hundreds or thousands of rooms, Rally Bar Mini offers clutter-free cable management, multiple mounting options, and flexible deployment modes. Plug and play with virtually any PC or Mac, or run supported video conferencing applications on the device without a computer.

SIMPLE TO SET UP

USB Plug and Play

Easily connects to virtually any PC or Mac®, with no additional software required

Appliance Mode

Built-in compute allows you to run supported video conferencing applications such as Zoom directly on the device

All-in-One Design

Sleek, minimal footprint expedites setup and reduces clutter

Streamlined, Flexible Installs

Confidently deploy at scale with smart cable management and multiple mounting options

SIMPLE TO USE

RightSense Technologies

RightSight

Speaker View frames the active speaker while displaying a secondary view of the room to show participant interactions. Group View detects meeting participants automatically adjusts the lens and zoom so no one is left out of the picture.

RightLight

Intelligently adjusts video settings in all light conditions so everyone always looks their best

RightSound

AI-driven voice leveling and unwanted noise suppression deliver outstanding clarity

One-Touch Join

Optionally deploy with Tap to quickly and easily initiate meetings across Zoom, Microsoft Teams, and other cloud services

SIMPLE TO MANAGE

Logitech Sync

Single platform to monitor room health and keep devices up to date, plus insights on room occupancy

Deploy Updates at Scale

Easily propagate upgrades and bug fixes to Rally Bar and your other supported Logitech devices

Forward-Looking Architecture

Sync API is a robust foundation for new insights and integrations

Partner Dashboard Support

Fully integrated with partner solutions like Microsoft Teams, Zoom, and others for a simplified device management experience

AUDIO	VIDEO	AI VIEWFINDER
<p>Room-filling Sound</p> <p>Ultra low distortion speakers with RightSound™ convey every word with outstanding clarity</p> <p>Adaptive Beamforming Mic Array</p> <p>Beamforming mics pick up voices at every seat and focus on the active talker while suppressing ambient noise</p> <p>Expansion Ready</p> <p>Add up to two Rally mic pods for even greater coverage in larger settings</p>	<p>Ultra-HD Video</p> <p>Brilliantly sharp video, outstanding color, and exceptional optical accuracy at resolutions up to 4K</p> <p>Expansive Room Coverage</p> <p>Mechanical pan and tilt covers rooms 163° across by 110° high, with exceptional image quality</p> <p>Cinema Quality</p> <p>Logitech RightLight™ technology captures natural-looking skin tones, even in dim or backlit conditions</p>	<p>Framed to Perfection</p> <p>A second built-in camera lens has the ability to detect meeting participants, amplifying RightSight™ autoframing</p> <p>See Everyone Clearly</p> <p>All meeting participants, even late arrivals, are automatically seen and included</p> <p>Move About Freely</p> <p>AI Viewfinder uses scene awareness to keep the camera on the action</p>

ACCESSORIES

**TV Mount for Video Bars**

Securely mount Rally Bar Mini above or below a TV or monitor

**Wall Mount for Video Bars**

Neatly and confidently secure Rally Bar on the wall for minimal footprint

**Rally Mic Pod in Graphite**

Expand audio coverage and provide convenient access to mute controls

**Rally Mic Pod in White**

Expand audio coverage and provide convenient access to mute controls

**Rally Mic Pod Extension Cable**

Easily connect mic pods to Rally Bar with up to two 10m extension cables

**Rally Mic Pod Mount in Graphite and White**

Hide cables and anchor mics on the table or ceiling for a clean, finished look

**Logitech Tap Controller**

Deploy with Tap for easy one-touch to join

**Rally Mic Pod Hub**

Customize microphone placement for your conference table configuration

DATA SHEET **LOGITECH TAP**

Deliver one-touch join, calendar integration, instant content sharing, and a consistent experience across meeting rooms. With a sleek design, silent operation, and motion sensor for always-on readiness, Tap brings ease and convenience to video collaboration.

MEETING ROOM TOUCH CONTROLLER FOR VIDEO CONFERENCING ROOM SOLUTIONS

More than just a meeting room touch controller, Logitech Tap is what helps you achieve a consistent user experience across your entire deployment.

Boasting a spacious 10.1" touchscreen, low-profile enclosure, and multiple mounting accessories, Logitech Tap delivers a sleek appearance and convenient placement options that support a wide range of room sizes and layouts. And, with its HDMI input, content sharing is instant and effortless. Wireless content sharing is also available depending on your chosen video conferencing service.

- 1 One-touch join:** Easily start and join meetings with just one tap.
- 2 10.1" touch display:** Spacious and responsive touch screen resists fingerprints and glare for high legibility and easy operation.
- 3 Sleek, low profile:** Comfortable 14° angle allows for easy viewing, while providing an unobtrusive presence in the room.
- 4 Always-on readiness:** Built-in motion sensor saves power when idle, and powers on when a person approaches.
- 5 Headphone jack:** Extends the host computer's wired audio capabilities to the tabletop, ideal for private conversations and for the hearing-impaired.
- 6 Dual cable exits:** A sturdy metal cover with removable bottom and rear exits keep cables tidy and secure.
- 7 Clean cable management:** Built-in cable retention and strain relief system hides the cable entirely within its enclosure, and secures it to prevent unwanted disconnections.
- 8 USB accessory port:** Connect an accessory such as a USB speakerphone.
- 9 HDMI input for content sharing:** Provides instant wired content sharing when used with Google Meet™, Microsoft Teams Rooms™, and Zoom Rooms™.
- 10 Anti-theft protection:** Keep Tap securely in place by connecting a security cable to one of Tap's two Kensington lock slots, one on the bottom and another at the back.

ENTERPRISE READY

Clean Installation

Flexible cabling lets you locate Tap near participants for convenient operation while installing the host computer in a cabinet, beneath a table, or behind a display.

Multiple Mounting Options

Secure Tap flat to the table, raise the viewing angle, or mount it on the wall to conserve space, minimize cabling, and optimize the user experience.

ROOM SOLUTIONS WITH LOGITECH TAP

Easily deploy video meetings with pre-configured Logitech room solutions for Google Meet™ and Microsoft Teams™, which include everything you need - Tap, a conference camera or video bar, and PC compute - to start building meeting rooms of virtually any shape or size.

Find Your Perfect Match

Tap works seamlessly with Logitech's lineup of PC-based video bars and modular systems for small, medium, and large rooms.

Laptop Link for Meeting Rooms

Add bring-your-own-device versatility with Logitech Swytch, a convenient way to use the room's display and conference camera with any video meeting or webinar application.

Shown with Logitech Rally Bar.
